

REGISTER FOR FRIENDS OF BLACK MOUNTAIN EVENTS

Please only register for events when the event has been advertised on Facebook, in the general media, through Member email, or for events advertised on the Events and News website page.

BOOKINGS ARE ESSENTIAL to ensure we have enough guides. Please use booking links through Try Booking as they are advertised per event.

Registering helps us to contact you if changes are needed at short notice (e.g. bad weather). If you have problems with booking links, email names and mobile phone number of each person you book to friendsofblackmountain@gmail.com .
